A.R.T./New York Intimacy Director Microgrant

Through its **Body Autonomy** program, A.R.T./New York offers microgrants to all A.R.T./New York members (except Business Affiliates) to subsidize the cost of bringing Intimacy Directors/Choreographers onto a production. In addition to making this process more financially feasible, these microgrants underscore how important an Intimacy Director/Choreographer is for a production that involves nudity and/or sexual contact or choreography—just like how valuable a fight choreographer is for scenes involving stunts and physical action.

Applying for the microgrant requires providing a short narrative and a budget for approval. Microgrant amounts are determined on a case-by-case basis to meet the needs of each applicant, but grants are typically given at a **maximum of \$1,500** and at a **one-to-one match with the applicant**.
